**NRS 482.3763, 482.37635**

A veteran of the Armed Forces of the United States, their spouse, parent, or child may apply for a Veteran or Female Veteran license plate. Women Veterans plates include an image representing women veterans instead of the seal of the Armed Forces branch. The first time fee for Veteran or Women Veterans license plates is \$60.00\* plus a Prison Industry fee of 50 cents per plate. These fees are in addition to all other registration fees and governmental services taxes. The annual renewal fee for a Veteran license plate is \$30.00\*\* in addition to all other registration fees and governmental services taxes.

A Veteran may request an available insignia or emblem of a specific military unit within a particular branch of the Armed Forces of the United States. The insignia or emblem will be located on the right side of the plate. Documentation must be provided which shows reasonable proof of the identity of the applicant and proof of their status or connection as a member of the specific military unit to be displayed on the decal such as Airborne patch, jump school certificate, discharge papers, etc. **Note:** Unit insignias currently available: Army Airborne, Seabees, Air National Guard, and Army National Guard.

If your vehicle is currently registered you have the option of maintaining your current registration expiration date, or renewing for a full 12-month period at the time you receive your Veteran license plates. Credit for the unused portion of your current registration will be applied to your renewal. You must appear in person and surrender your current license plates to the Department in order to transfer this credit.

In applicable counties, if the previous evidence of compliance with emission standards was obtained more than 90 days ago, and you are updating the registration date, the vehicle must be re-inspected prior to registration.
